

Addressing HIV/AIDS through Sport

LEADER Carol Garoes

SPEAKERS Ms. Sara Nicholls, Ms. Bevine Sangulube, Ms Florence Nkatya Mwila

RECORDER Kanako Inaba

MAIN ISSUES IDENTIFIED/DISCUSSED

1. Empowerment of young women to share their stories and allow their voices to be heard.
2. "Development through Sport" is effective because it is youth to youth and community-based grass-root initiatives.
3. Participants were unclear on how to access to information on HIV/AIDS and Development through Sport.

RECOMMENDATIONS/COMMITMENTS FOR ACTION (WHO? WHAT? WHEN ? HOW ?)

- 1
What? Use good young role models to empower others.
Who? Governments, individuals, conference participants, sport organizations.
When? Post-Kumamoto Conference 2006.
How? By looking at existing examples of good young leadership.
- 2
What? Ensure that HIV/AIDS and Development through Sport key priorities on the women and sport agendas.
Who? Governments, individuals, conference participants, sport organizations + IWG!
When? Post-Kumamoto Conference 2006.
How? By lobbying sport groups and organizations for women.
- 3
What? Use existing networks and platforms about HIV/AIDS and Development through Sport more effectively.
Who? Workshop participants, media.
When? post-Kumamoto Conference 2006.
How? by informing conference participants of existing networks and platforms through. the Kumamoto Conference Web site and materials.
